ACT LOCAL

Everyone needs a decent place to call home.

People in our community, and all over the world, partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage. With a little help, Habitat homeowners achieve the strength, stability and independence they need to build a better life for themselves and their families.

Build a stronger community.

Partner with Habitat for Humanity through the First Look for Charity event and help build a better future for all.

By designating your support to your local Habitat affiliate through First Look for Charity, your team will be invited to participate in a Habitat team build experience.
